

Hose Clamps: Power-Flex Single Bolt Clamps

Technical Specification

- Sizes: 20mm - 22mm to 227mm - 239mm
- Materials: 316 Stainless Steel
- Stainless Steel is acid and sea water resistant

Features & Benefits

- Offers a larger size range
- Wider band width
- Suitable for high pressures
- Higher grade Stainless Steel

Applications

- Hose assemblies
- Manufacturing
- Agriculture
- Hydraulics
- Chemical
- Food processing
