

Banjo Polypropylene Bolted Ball Valves

Technical Specification

- Pipe Sizes
 - 4 Bolts: 1/2" to 2"
 - 6 Bolts: 2" - 4"
- Material: Polypropylene with Stainless Steel Bolts
- Thread Type: NPT (BSP available in some sizes)
- Pressure: 75 PSI - 150 PSI
- Seals: FKM (Viton type)
- Ball Seats: PTFE
- Pressure ratings are dependant on operating temperatures

Features & Benefits

- PTFE self-lubricating stem bushings & seats cannot stick or bind
- Ball is diamond turned, after Moulding, to make it spherically perfect
- Handle replacement & repair kits available

Applications

- 'Shut-off' applications where extensive industrial use is required
- Industries:
 - Chemical
 - Agriculture
 - Agrochemical

Product Code	Description	Max PSI	Pipe Size	Opeing Through Ball	Box QTY
4 Bolt Valves					
V050	1/2" Full Port Valve	150	1/2"	3/4"	24
V075	3/4" Full Port Valve	150	3/4"	3/4"	24
V100	1" Standard Port Valve	150	1"	3/4"	24
V100FP	1" Full Port Valve	150	1"	1"	24
V125	1 1/4" Standard Port Valve	150	1 1/4"	1"	24
V125FP	1 1/4" Full Port Valve	150	1 1/4"	1 1/2"	24
V150	1 1/2" Full Port Valve	150	1 1/2"	1 1/2"	24
V200	2" Standard Port Valve	150	2"	1 1/2"	24
6 Bolt Ball Valves					
V200FP	2" Full Port Valve	100	2"	2"	8
V300	3" Standard Port Valve	100	3"	2 1/2"	8
V300FP	3" Full Port Valve	100	3"	3"	6
V400	4" Standard Port Valve	75	4"	3 1/2"	4
