

Hose Clamps: BAND-IT

BAND-IT[®]
 THE CLAMPING EXPERTS

Technical Specification

- Sizes: 3/8" to 3"
- Constructed from Stainless Steel 201
- Vibration resistant lip wrap lock design
- Double wrapped for additional strength
- The Band-It tool is suitable for tensions over 2,400lbs of force and cuts off the tail of the clamp being formed

Features & Benefits

- Versatile
- High flexibility
- Long lasting durability
- Fast installation

Applications

- Secure hose, pipes, poles, cables and other multi-clamping functions
