

Ball Valves: Banjo Single Union Polypropylene

Technical Specification

- Sizes: 1/2" - 2"
- Material:
 - Body: Glass Reinforced Polypropylene
 - Seat: PTFE
- Thread: NPT
- Pressure: Max WP 100 PSI
- Seal: EPDM O-Ring

Features & Benefits

- Precision moulded
- Strong
- High chemical resistance
- Smooth operation
- Double O-Rings in stem for extra sealing protection
- Interlocking body & end plate

Applications

- Agriculture
- Agrochemicals
- Chemical Plants
- Fluid Processing
