

## Ball Valves: Brass Ball Valves

### Technical Specification

- Sizes: 1" - 2"
- Materials:
  - Body, Bonnet, Ball, Stem, Gland Nu & Lock Nut: Chrome Plated Brass
  - Seat & Packing: PTFE
  - Handle: Iron
- Temperature: 0°C to 90°C

### Features & Benefits

- Screwed BSP Parallel
- PTFE Seats & Seals
- Anti-Blow Out Stem
- Full Bore
- Locking Lever & Tee Handle Available

### Applications

- Agricultural
- Water works (Pumps)
- Irrigation
- Oils (Certain Fuels, Diesel, Hydraulic)
- Gases (Natural & Inert)
- Alcohol & Beer
