SAFLOK

Safe-Locking Quick-Coupler

Safety for personnel, the environment & reduced costs from accidental disconnection

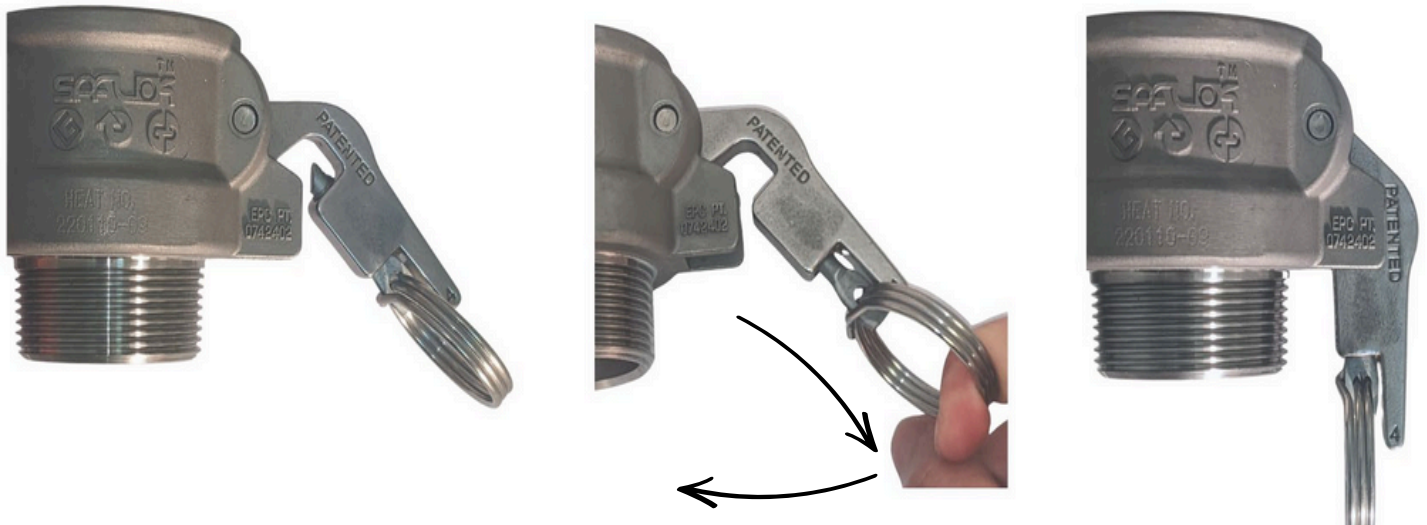

All the convenient ease and multiple uses of a standard cam and groove coupling with added safety features. A world class brand named product.

Conforms to DIN 2828 & A-A-59326 (Mil-C-27487) Specifications

Patented Safety Locking Cam Arms

Mechanism

Saflok® is a Camlock fitting with automatic locking arms that has been designed to help prevent inadvertent disconnection, which would result in spillage. This is of particular importance if the media is of high-value or hazardous liquid chemicals. Saflok handles cannot be opened unless you open them.

This modified camlock fitting features an automatic locking system built directly into the cam arms. This enables it to be used like a standard Camlock with a standard adapter but with the additional peace of mind that it locks securely into place and cannot be accidentally opened once closed.

Composition

316 Stainless

Body – 316 SS

Handles - 316 SS

Pins - 316 SS

Rings - 316 SS

Seal - Buna Nitrile

Other Seals Available on Request

Available Options

Part B, Part C, Part D, Part DC, Part CRS & Part DU

Sizes: 1/2" to 4" BSP Thread

Also available to DIN 2828 Specifications

Features & Benefits

Handles automatically lock to the body when closed and stay closed when in use
Can be fitted to any standard cam adaptor

Traceability, we mark each one of the Saflok Camlocks with a heat mark

Assist in the prevention of spillage of expensive & hazardous material in the process of transfer

Available from stock

Applications

- Pharmaceuticals
- Cosmetics
- Foodstuffs
- Inks
- Adhesives
- Dyes

PART B COUPLER TO MALE BSPT

Product Code	Nominal Size		Thread	Seal	Max Working Pressure	
	ins	mm			Bar	PSI
B050-SAFLOK-SS	½	13	BSP	Buna	25	360
B075-SAFLOK-SS	¾	19	BSP	Buna	25	360
B100-SAFLOK-SS	1	25	BSP	Buna	25	360
B125-SAFLOK-SS	1 ¼	32	BSP	Buna	25	360
B150-SAFLOK-SS	1 ½	40	BSP	Buna	25	360
B200-SAFLOK-SS	2	50	BSP	Buna	25	360
B250-SAFLOK-SS	2 ½	65	BSP	Buna	25	360
B300-SAFLOK-SS	3	75	BSP	Buna	25	360
B400-SAFLOK-SS	4	100	BSP	Buna	25	360

PART C COUPLER TO HOSE TAIL

Product Code	Nominal Size		Thread	Seal	Max Working Pressure	
	ins	mm			Bar	PSI
C050-SAFLOK-SS	½	13	N/A	Buna	25	360
